How were your results with MetroQuest?

MetroQuest
Engagement...optimized

*"We increased our level of public participation by **1,900%** on our very first project with MetroQuest."*

Jamille Robbins, NCDOT

MetroQuest
Engagement...optimized

*"Our very first survey we had more than
7,000 responses from a broad
demographic. That was really exciting
and far more than we anticipated"*

Melissa Roberts, Atlanta Regional Commission

MetroQuest
Engagement...optimized

REGIONAL JOB GROWTH & TRANSIT EXPANSION

Should the region strive for a more equitable distribution of economic opportunities?

Are connections with a regional transit network essential for existing/future job centers to grow and be successful in the future?

How important is it for the region to promote a variety of housing options that are connected to existing and future job centers via expanded transit?

44% Very Important
25% Important
19% Not that Important
12% Unimportant

Have you ever made a choice regarding employment, education or housing based on access to transit?

How important is it to you to have a public transit option available where you live in the Atlanta region right now?

Which of the following characteristics are most important to you in determining where you live:

- Affordable Housing 76%
- Services 60%
- Close to Work 56%
- Walkable 48%
- Quality School System 46%
- Proximity to Family 21%

AUTONOMOUS VEHICLES

Have you heard of autonomous vehicles?

If autonomous vehicles led to less traffic, how likely would you be to move?

If you would move, would it be closer or farther from work?

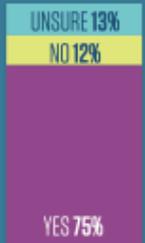

How comfortable would you be to transfer driving control to an autonomous vehicle?

DEFINITELY 22%
SOME 40%
NOT AT ALL 23%
UNSURE 15%

Are driverless cars a viable option for people who cannot drive themselves?

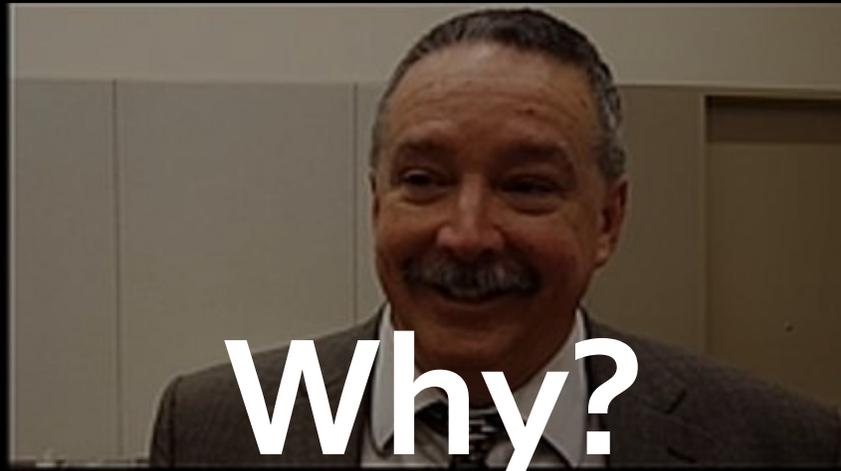

Should the State of Georgia support the implementation of autonomous vehicles?

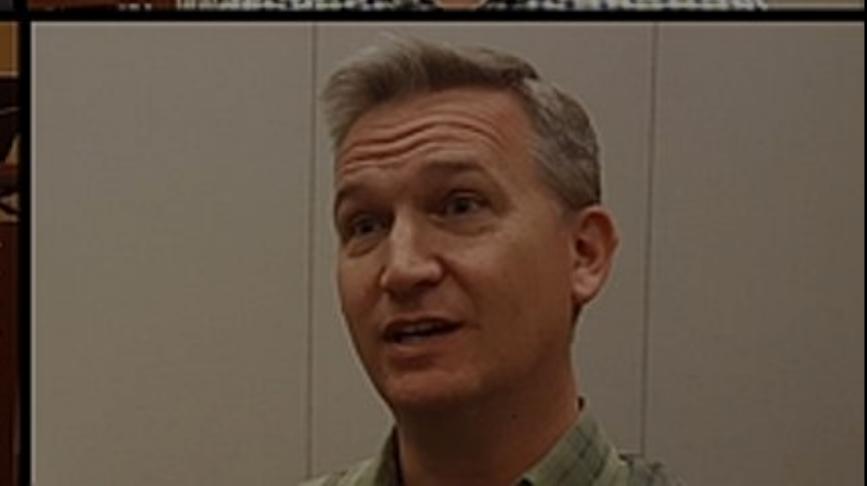

YES 65% NO 15% UNSURE 20%

They went on to engage over 25,000 people

Why?

A person is holding a tablet computer. The screen displays a city planning application. At the top, there are buttons for 'Explore', 'Suburban Dream', 'Busting Metro', and 'New Corporate Centers'. The main content area is titled 'STRATEGIES' and features 'Strategy C: New Corporate Centers' with a description: 'Business campuses & housing grow along interstate highways with express toll lanes'. Below this, there is a 'View Full Description' button, a star rating system (1 star = least appealing, 5 stars = most appealing), and a 'Thank You!' button. There are also 'Likes' and 'Dislikes' buttons. A map is visible at the bottom of the screen, showing a location labeled 'Temple Terrace' and 'Tampa'. The background of the image is a person's legs in blue jeans, suggesting they are sitting and using the device.
